

St. Agnes School Open House – January 28, 2024

10:45 a.m. to 12:00 p.m.

**We are currently enrolling all grades for the 2024-2025 school year.
Come see why Success begins at St. Agnes!**

St. Agnes School has been educating students' right here in the heart of Bloomsdale since 1879. We offer exceptional academics, individualized attention, and a family atmosphere. Our convenient location, PreK-8 curriculum, and available scholarship opportunities make St. Agnes the accessible option to all families who want a warm caring environment and an education that supports their child's academic and personal growth.

We hope to see you Sunday, January 28, at our Open House! All are welcome to visit and learn more- and bring a friend! While you're here, register your little one for a Kindergarten visit at our Kindergarten Buddy Day on Monday, January 29, 2024.
